WASHINGTON COUNTY PROHIBITION CONVENTION.
At Marietta, Friday, Sept. 1st,
at One O'clock, P. M.

All voters in Washington County, who are favorable to the organization of a Prohibition Party in said County, are invited to attend a County Convention, to be held at Marietta, on Friday, September 1st, 1871, at one o'clock P. M., for the purpose of nominating candidates for the following offices, to be voted for at the next October election, to-wit: Representative, County Treasurer, Clerk of Court of Common Pleas, Prosecuting Attorney, Two County Commissioners, County Surveyor, Inferior Director. By order of WASHINGTON CO. COM.

Prohibition Senatorial Convention.

The Prohibitionists of the 14th Senatorial District of Ohio, comprising Washington, Morgan and a part of Noble Counties, are requested to be in attendance on the Prohibition Senatorial Convention to be held in Marietta, on Friday, September 1st, 1871, at three o'clock P. M., for the purpose of nominating a candidate for State Senator, to be voted for at the approaching October election. By order of COMMITTEE.

PEACH ICE CREAM, everybody likes it, at Bemis'.

Ned, a little son of W. A. McConnell's, broke his arm by falling off a chair on last Sunday.

ICE CREAM at all hours of the day, as well as in the evenings, at Bemis'.

A new frock has made its appearance at John Boone's Saddlery Shop.

PARTIES and private families supplied with Ice Cream in any quantity ordered, at Bemis'.

W. A. McCONNELL, of this place, has obtained a situation as Stock Agent at Columbus on the Pittsburgh, Cincinnati & St. Louis Railroad.

FRUIT in abundance on our streets attest that apples, peaches, pears and plums will not be scarce on the tables of Morgan County families next Winter.

Our contemporaries in Marietta, the Times and Register, were correct in favor of giving us the credit for what they see proper to copy from our paper instead of giving it to the Herald.

Hox W. P. SPRAGUE has our thanks for full reports census 1860. Mr. Sprague's attention to the wants and needs of newspaper men in this District is past all precedent as far as our experience can testify.

JACOB ROLAND, for many years back a citizen of this place, died at his home, on Friday night last, aged almost fifty years. His remains were buried, under the charge of the Masons, on Sunday, at 3 o'clock, P. M. Mr. Roland was well known to all our citizens, and his funeral was one of the most numerous attended ever in McConnellville.

M. E. CAMP MEETING.—The M. E. Church will begin a series of meetings at the Camp Grounds, on Jacob Mumme's farm, in Newburg township, on the 30th of this month. A business meeting will be held, on the grounds above mentioned, on the 10th of this month, and all persons having business with the Committee of Arrangements will please meet them there at that time.

THE Morgan County Medical Society held a meeting at Dr. Charles Robertson's office, in this place, on Tuesday. There was a good attendance, several essays were read, and several cases were reported and discussed. The meeting was an interesting one, and adjournment was made until the next Semi-Annual meeting, which will be held on the first Tuesday in November.

THE Public meeting, held in the Good Templars' Lodge Room, of Marietta, last Friday evening, was largely attended. The addresses by Rev. Courtwright and Cather were most admirable, and bore no uncertain meaning. They considered the war between the liquor vendors and drinkers and the peace and welfare of society as inaugurated, and they thought that no one could be upon both sides of the question. One must be either for or against the cause.

THE Zanesville Courier seems disposed to make us out a liar because we stated that the man who fell off one of the bridges in that city recently was intoxicated. As we have once before notified the Courier, we will state that our information relative to the matter came from a Zanesville citizen. If it is not true we are glad of it. But we have stated, and now state, that Stephen R. Hamer, of Zanesville, the Republican candidate for Member of Board of Public Works, has been a drinker of intoxicating liquors as a beverage for twenty years. Will the Courier dare say we falsify about this?

W. W. PYLE, of the Zanesville City Times, formerly editor of the "Muskingum Valley Republican" that gave us the information relative to Senator Sherman having alcoholic liquors in his room, at a Columbus hotel, during the session of the late Republican Convention, for the use of himself and friends. Mr. Pyle now says we were mistaken about his saying he was in Sherman's room at the time stated, for he was not; but that he said he was told by one who was there, that Sherman had wine on his table for the purposes above spoken of, and that he now believes said to have been the fact. This sounds entirely too much like the story of the "three black crows" for anybody to give it heed. As there are others beside the editor of this paper that understood Mr. Pyle to say just what we published, we feel confident that he did not fully apprehend what he did say. As the matter stands, we fully and freely retract the charge as made by us against Senator Sherman.

WASHINGTON COUNTY ITEMS.—Mrs. Battelle, mother of the Rev. C. D. Battelle, of the Ohio Conference, of the M. E. Church, died on Sunday, the 23rd ult., at Newport, aged 83 years. Her husband is still living, and is one month younger. The old couple had lived together as man and wife for upwards of sixty years. A new M. E. Church, at New Matamoras, within the McConnellville District, was dedicated on Sunday, the 30th ult., free from financial embarrassment. Rev. L. M. McGinnis preached the dedication sermon, and collected \$1,000, which freed the church from debt. This makes seventeen new churches that have been erected by the M. E. Church in this District, within the past three and a half years.

Base Ball.

On last Saturday the Novelty Ball Club, of this place, played the Shoo Fly Club, of Four Mile, on the Four Mile grounds, the Novelty Club making a score of 60 runs to 6 for the Shoo Fly.

The Novelty Club defeated the Second Nine of the Hickorys on last Monday, by a score of 40 to 33.

On last Tuesday afternoon, the Poverty Club, formerly the Second Nine of the Novelty, played a Nine to club on the Malt grounds. The Maltians came off victors by a score of 50 to 40.

The great game of the week, however, has been that between the Hickory Juniors and the Athens Club, which was played on our Common on Wednesday. The Athens came here high in hope of going home pretty well, but foreign clubs that come here want to be victims of a rain delusion. The town of Athens had told their boys that if they beat the Hickories they should receive a new uniform and a hundred dollars. They came, played, and were badly beaten, and went home pretty well convinced that they hardly understood the rudiments of Base Ball playing. The Hickories scored 20 runs to 7 for Athens. It is supposed that there is not a club in the State that can come here and beat the Hickories.

AN HONEST CONFESSION.—One of the leading Democrats of this place, and a great friend of the new paper, fearing the late attack of the Democrat on Rev. C. W. Courtwright would prove detrimental to the paper and the party, apologized to Mr. Courtwright by saying that the "beer and liquor men were highly incensed at certain editorials that appeared in the Independent about the time of the late Spring elections, and that they thought he wrote them, and consequently the appearance of the article against him in last week's issue. This is an honest confession that the Democrat is controlled by the beer and liquor men, who hope to use its columns to induce the Democracy of Morgan County to give them the power in the County. How do you like the programme, Democrats? Do you like the idea of being made cat-tails to pay beer and liquor vendors' debts out of the fire?

J. M. DALZELL, of Noble County, is out in a communication to the Cincinnati Gazette, and which was copied by the Herald of last week, giving reasons why Republicans should not vote for him. This is an honest confession that the Democrat is controlled by the beer and liquor men, who hope to use its columns to induce the Democracy of Morgan County to give them the power in the County. How do you like the programme, Democrats? Do you like the idea of being made cat-tails to pay beer and liquor vendors' debts out of the fire?

LEVI ROBINSON, who was sent to the Penitentiary a few years since, was pardoned recently. Also a young man named Sheets, of Windor 12, has been pardoned from the same establishment. Both behaved themselves meritoriously while in prison, and it will be remembered that many persons here thought Robinson should have been sent to the Penitentiary.

THE opening of the beer-saloons has made its mark already. Drunkenness has shown itself more on our streets within the past week, than it had for months preceding. But the Herald thinks beer-saloons have been among our wants and needs within these months. What do you think, temperance men? Do you think? Don't you think we could have got along much better without them?

On Monday, Tuesday and Wednesday of this week there was but one barber-shop doing business in this place—Bibbe's. Fred and George, of the City Shaving Saloon, and D. D. Williamson were off to Zanesville jollyfying the emancipation.

Does anybody know why the Democrat did not stick to its original purpose of being a True Democrat?

TEACHERS' NORMAL INSTITUTE.—Upwards of sixty teachers have enrolled themselves as members of the Teachers' Normal Institute now in session in this place. Most of those who are now in attendance are young in the profession and it is hoped that next week there will be more of the more elderly teachers of the County put in their appearance. The Institute promises to be one of the most interesting and successful ever held in the County, and it certainly behooves all who possibly can to be in attendance.

McCONNELL, EMMERSON & HARRIS, of Zanesville, have removed their store to No. 85, corner of Main and Third streets, the room heretofore occupied by P. & J. Black as a wholesale dry goods store.

The Chicago Post says that the prevalence of tempests and tornadoes in various sections of the West has been attended with results so disastrous as to threaten serious consequences in many communities. They have followed in regular succession, and in some cases repeatedly visited the same locality. Houses, fences and barns have been alike swept away, attended with serious loss of life. Western Missouri, Iowa and Minnesota have suffered the most, but great damage has been done both east and west. The effect of these catastrophes is severely felt on the frontier, where the pioneer settlers have just made a commencement, and are engaged in a struggle for existence. The crops are generally light in the districts affected, and the blow on the farmers is very severe and calls for active sympathy and relief.

Cincinnati Live Stock Market.

Monday evening, July 31, '71.

BEEF CATTLE.—The arrivals for the week were heavy—the largest for a number of weeks past. The supply was considerably in excess of the demand, and the market ruled dull throughout the week. A decline was established, and a considerable number were left over on hand. We quote common \$7.75; fair, \$8.25 to \$8.50; good, \$8.75 to \$9.25, prime butchers' stock, \$4.50 to \$4.75, and shipping cattle, \$4.75 to \$5.00 per cental gross. Texas and Cherokee cattle sold \$1.75 to \$3 per cental gross, as in quality.

SHEEP.—The market was not so firm under a better supply, but prices are without important change. We quote common to prime \$2.50 to \$3.50 per cental gross. Lambs sold at \$1.75 to \$2 per head.

HOGS.—The market closed dull, and prices are lower than on last Monday. We quote light to heavy averages \$4.50 to \$4.50 per cental gross. All were sold.

Baltimore Cattle Market.

Baltimore, July 27.—The market yesterday was rather slow in opening, but when started became fairly active, and some 1150 head charged hands, but with no appreciable change since last week. This morning the balance of the offerings, with few exceptions, were closed out at the rates of yesterday. The apparent advance indicated by our list of quotations is only seeming, the quality being inferior. Some 350 head of the receipts were reshipped East without being offered here. Milch cows are an better request, and are selling at a slight advance on the rates of last week, \$30 to \$35 per head, as to quality.

Veal calves without change, we quote at 46¢ per lb. Prices for food for beef cattle ranged as follows: best heaves at \$5.75 to 6.25; generally rated first quality at \$4.25 to 5.75; medium or good fair quality at \$3.75 to 4.25; ordinary thin stock, oxen and cows at \$3.62 to 3.75; inferior and lower grades of cattle \$3.00—general average of the market to-day \$3.37-1/2. Extreme range of prices \$3.62 to 6.25. Most of the sales were from \$4.75 to \$5.75 per 100 lbs. Of the receipts 65 head came from Maryland, 575 from Ohio, 816 from West Virginia, 71 from Virginia, 51 from Illinois, and 52 head from Pennsylvania—total receipts for the week 1,630 head, against 1,608 last week, and 1,207 same time last year. Of the offerings 750 head were taken by Baltimore butchers, 158 sold to country dealers and butchers, and 345 to speculators for Eastern markets—total sales for the week 1,273 head, against 1,264 last week, and 1,170 head same time last year.

SHEEP AND LAMBS.—The receipts have fallen off somewhat since our last report; are and have been rather scarce and in good demand at an advance of 1¢. Open wool stock sheep continue in good demand. We quote fat sheep at 45¢ per lb. gross, as to quality. Stock sheep at \$1.75 to 2.25 per head, as to quality. Lambs are in full supply and dull \$2.25 to 2.75 per head, as to quality. Receipts this week 4,466, against 5,062 last week and 5,773 last year.

HOGS.—Prices have advanced 1¢ per lb. since our last quotations, commencing to rise early in the week. Large lots are now selling at \$7.25 to 7.50 per 100 lbs. net, the demand for the heavier weights being somewhat better than it has been for some time past. Prospects are considered favorable for a continuance of present or approximate prices. Receipts this week 5,200, against 5,404 last week and 2,994 head same time last year.
